

THE LLANO REPUBLICAN ROUNDUP

JUNE 2025

LLANO COUNTY REPUBLICAN PARTY NEWSLETTER

MEET OUR LLANO COUNTY CHAIR **JESSICA MCREE**

I'm honored to serve as your new Republican County Chair. As a lifelong conservative, I believe in the values that make our country strong: faith, family, freedom, and fiscal responsibility.

I bring to this role years of experience working in our public schools, where I saw firsthand the importance of strong communities and the real-world impact of policy decisions. My background in education, along with years of volunteer service and leadership in civic and faith-based initiatives, has deepened my commitment to standing up for conservative principles and serving others with integrity.

I've also had the privilege of directing a 501(c)(3) nonprofit organization, which has given me valuable experience in

managing resources, building partnerships, and creating solutions that benefit our community.

One of my top priorities is to encourage civic engagement at every level. I believe that a strong, healthy community starts with individuals who feel empowered to make a difference. When people are informed, involved, and inspired, we can accomplish great things — not just during elections, but year-round.

As County Chair, I'm focused on:

- Growing our local Republican Party
- Supporting strong conservative candidates
- Defending election integrity
- Building a grassroots movement that reflects our shared values

I'm excited to work alongside precinct leaders, elected officials, and community members to protect our freedoms and help shape a brighter future for our county.

Whether you'd like to volunteer, share ideas, or just connect, I'd love to hear from you!

THE LLANO REPUBLICAN ROUNDUP

MEET OUR LLANO COUNTY VICE-CHAIR **KAREN CALDERON-SCHWEITZER**

I am honored and excited to have been appointed to serve as Llano County Republican Party Vice-Chair.

As a dedicated volunteer, I prioritize civic engagement and making a positive impact in our communities. My political involvement includes serving as Campaign Activities Chairwoman for the Horseshoe Bay Star Republican Women's Board of Directors. I had the privilege of being elected National Delegate from the great state of Texas to participate at the Republican National Convention held in Milwaukee in 2024 where I cultivated relationships with numerous Texas public officials. I have participated in several speaking engagements to promote and support Republican values as well as "get out the vote" in favor of President Trump.

My involvement in the political arena has led me to become an instrumental participant in organizing diverse political fundraising events, worked on political campaigning in various elections that included block walks, voter registration drives, and developed social media campaigns aiming for a large outreach.

My approach to leadership highlights community service and collaboration. I look forward to working with likeminded

individuals who share my vision of electing Republican leaders who uphold Texas values and prioritize the welfare and safety of Americans above all. I have extensive experience in management, developing and implementing strategic long-term planning, marketing, public relations, contract development and sales. I am happy to have the support of my husband Dr. William Schweitzer in all of my endeavors.

My commitment is to contribute in growing and building a strong Republican Party at the grassroot level; cultivating, assisting and electing Republican candidates to public office; supporting both the state and national Republican platforms; and increasing the number of Republican voters through involvement and education
